TOM'S TOWN DOUBLE OAKED BOURBON™

A warm and spicy bourbon with notes of maple, butterscotch and honey

Our innovative wood stave finishing process begins with traditional aging in white American oak barrels, and is complemented by a second aging with French and American oak staves which are inserted later in the process. The staves bring out notes of caramel, without the bitterness that can come with additional aging. This is a crowd-pleasing bourbon that's perfect for cocktails.

TOM'S TOWN BOTANICAL GIN

Tasting notes: floral, citrus, and baking spices

A combination of floral, citrus, and baking spices, the notes in Tom's Town Botanical Gin create a complex tasting experience. Our distillers employ two methods, combining vapor-distilling and maceration to delicately balance all fourteen botanicals. One taste and you will understand why this gin won a coveted gold medal at the Wine and Spirits Wholesalers of America conference in 2019. TOM'S TOWN BARRELED GIN

Tasting notes: vanilla, caramel and oak

Our distillers took our botanical gin and finished it in one of our bourbon barrels for six months to create Tom's Town Barreled Gin. The result is a robust and flavorful gin that takes on the best whiskey characteristics and aroma from the barrel. With notes of vanilla, caramel and oak, the Barreled Gin won Best of Show and a double gold medal at Wine and Spirits Wholesalers of America in 2019. PENDERGAST'S ROYAL GOLD BOURBON

Tasting notes: caramelized sugar, pleasant oak, and stone fruits

Until he could fire up his own still, the country's most corrupt political boss, Tom Pendergast, procured the finest bourbon, bottled it, trademarked the brand name, and sold Royal Gold to a thirsty public. In the same spirit and with the same name, we present Pendergast's Royal Gold Bourbon. We didn't have to bribe anyone to make it taste this good. With aromas of caramelized sugar, pleasant oak, and stone fruits, this bourbon is perfect for treating special guests. To achieve a smooth and well-balanced flavor, we finish Royal Gold in hand-selected 14-year-old ruby port casks.
